## PRESIDENTS MESSAGE December & January

December/January,  
2007/2008

Our 2007 Program year ended with Bill Cassidy's presentation on Ford Memorabilia. I had the privilege of seeing Bill's full collection early in my history with NORG and enjoying his narration of the origin, significance, occasion, etc. related to each item. The sampling

of memorabilia he shared with us on November 16 included items I don't remember seeing originally, but his narration was just as impressive. Thanks, Bill! And thanks to Anne Davis for her professional presentation of the items Bill discussed – worthy of any auctioneer's assistant!

We also had our election of 2008 Officers and Board members on the 16<sup>th</sup>: Foster Buchtel, President; Don Clink, Vice President; Neal Garland, Secretary; Anne Davis, Treasurer; and Ken Canankamp, Jeep Iacobucci, Bill Royer, John Swigart, and Alex Stall, Board members. I truly appreciate the 1997 support and guidance provided by the Officers, Board members, Committee Chairs, and Headliner Editor Georgene Iacobucci. Special thanks goes to Regis Schilling who, after serving two years as President, agreed to continue as Vice President for 2007, knowing that he would have to preside the first four months while Peggy and I were in Florida. Thanks, Regis! We are pleased that you will be continuing on the Board in 2008 as Immediate Past President. Speaking of the Board, they have had a busy meeting schedule this summer and fall; a full report of their activities and direction will be given in the next issue of the Headliner.

Our December meeting was a combined Christmas Party/Installation/Recognition Dinner at the Das Dutch Kitchen, Dalton, Ohio. Barbara Solstice and Ruth Canankamp were surprised and roundly applauded as they were recognized for their unflinching service to and support of NORG activities over the years. Sadly, we will be losing Ruth's services as Sunshine Chair at the end of 2007; happily, Lois Stallard and Georgene Iacobucci agreed to fill in until a new Chair is appointed. Dick and Rose Deyling have agreed to continue as Membership Chairs, Bill Royer as Historian, and Don Clink as Webmaster. That still leaves the need for Chairs of the Programs, Activities, and Hospitality Committees, and for a new V-8 Times Correspondent. These positions will be on the February meeting agenda. Please think about which responsibilities you will be willing to assume for 2008, and be ready to offer your support. On a related matter, Georgene has been doing a great job as our Headliner Editor. However, she still needs your help. Please send information, articles, technical tips and tricks, photographs, et al to Georgene to make her job just a little bit easier. (continued)

Our February 15 Program will be Jeep Iacobucci and his friend, Michael Iafelice, treating us to a presentation of their record breaking trip in Jeep's 1947 Mercury Sedan Coupe to the 2007 Western National Meet in California, including the trials and travails (very few) and the high points (many). Trust me! This is one program you don't want to miss!

In closing, Peggy and I hope that all of you had as happy a holiday season as we did, and that 2008 will be a year of blessings, happiness, and peace for all of us. See you on February 16!

Foster S Buchtel,  
President

# MINUTES FOR THE MEETING OF NOVEMBER 17, 2007

The meeting was called to order by president Foster Buchtel. After members stopped throwing things, Foster introduced guest Mike Wisnewski, who is president of the Nifty Fifties Club and more of an old friend than a guest now. Foster also introduced new member Jack Bukszar, who is the proud owner of a 1951 Ford.

Foster thanked Lois and Rags Stallard for tonight's coffee and cookies. Neal Garland made up a bunch of lies and passed them off as the minutes for last month's meeting. Members voted to accept them--all but the part about Joe catching a 78-pound Walleye in the Cuyahoga River.

Treasurer Ann Davis reported that our financial condition is much better now that dues for 2008 have been coming in. Our CD will mature in December. Discussion was held on what to do with it. Members suggested that it be renewed for a shorter time period, such as 90 days, so we can explore other investment options.

National president Craig Gorris reported on developments for the Grand National meet in Dearborn. There are 135 registrations so far. To reserve your hotel room, call the Hyatt at 1-313-593-1234. Be sure to tell them you are registering as part of the Grand National Ford V8 meet. Craig encouraged NORG members to consider running for a position on the national board of directors.

President Foster thanked Barb Soltis and the Collettes for a wonderful fall tour. We enjoyed the visit to a good restaurant, a wonderful car collection, and some great fall scenery!

Ann Davis reported on progress on the 1939 dash project. She and Joe decided the wood graining was not correct, so they did it over again. Bill Royer is now working on restoration of the gauges.

Jeep announced that due to Georgene's skillful use of discount coupons, the cost of publishing the November Headliner was reduced considerably. Way to go, Georgene!

Historian Bill Royer had no history to report this month. He encouraged members to go out and make some, but to be sure to keep the club's name out of the newspapers while they are doing so.

Membership chairperson Dick Deyling looked up all the zip codes for northeastern Ohio and gave them to Craig Gorris. Craig obtained a list of all people living in those zip codes who are receiving the V8 Times. Letters will be sent to all of those people who are not members of NORG to invite them to join us.

SEMA representative Pat Rooney had no report, although he did have his voice back this month. Sunshine chairperson Ruthie Canankamp informed us that cards have been sent to Foster Buchtel and Bill Holland, both of whom had knee surgery recently. Cards also were sent to Dave Duda and Bill Cassidy to let them know our thoughts are with them as they undergo their treatments.

Jeep informed us of a car show being sponsored by the Nifty Fifties Club at Mike Bass Ford in Sheffield Lake on January 27, 2008. Jeep told us that leftover supplies from the pig roast had been donated to a soup kitchen.

John Swigart reminded us that the Christmas Party will be held on December 8. Be sure to give him a check no later than November 30 if you plan to attend. The cost is \$15 per person.

Webmaster Don Clink updated us on our website. Don also passed around samples of a NORG 2008 calendar featuring pictures of members' cars. The calendars are available for \$15 each. Let Don know if you want one.

Foster gave his president's report on the NORG board meeting that was held just before today's regular meeting. He informed us that our "Tips and Tricks" ideas will be put on the website rather than being produced in printed form. The board is still working on revising and clarifying the by-laws. Committee chairpersons are still needed for next year, so now is the time to step up and volunteer before Foster calls you and volunteers you instead! Lois Stallard has been asked to audit our books. There will be no regular monthly meeting in January.

Foster announced that it was time to vote on officers for next year. Craig Gorris moved that the slate of officers proposed by the board of directors be unanimously accepted. The motion was seconded by Pat Rooney. Members agreed, so the officers and members of the board will remain the same for 2008, with the exception of the vice president. Our new vice president will be Don Clink.

Bob Bachtel moved that we adjourn. Pat Rooney seconded. We did. *Neal Garland, Secretary*

## ***N.O.R.G. Board Meeting Report*** ***November 16, 2007***

The Board recommended that Anne Davis and Bill Royer run ads in the V-8 Times and on the Ford Barn Website for needed parts for the 1939 Ford Dash Project; John Swigart agreed to help place the ads on the Ford Barn site.

The Board authorized ordering 20 copies of the 2008 NORG Calendar developed by Don Clink, to be sold for \$15 each; sponsorship of space and or pages in next year's calendar was recommended as part of a NORG fund-raiser.

The Board authorized Don Clink to transfer the "How To" restoration tapes to DVD format for better accessibility to members; purchase of a copy of missing tape number 2 was authorized so as to have all five tapes available for copying. The DVDs and existing tapes will be available for members to check out through the NORG Historian, who will keep records of the loans and returns.

The Board approved putting the proposed NORG "Tips and Tricks" manual on NORG's web site.

The Board learned that National President Craig Gorris will forward the NORG Board's recent recommendations concerning Concours judging to the Judging Standards Committee for consideration.

### HELPFUL HINTS

#### White Vinegar

**Glassware.** Remove spots from glassware and crystal with a soft cloth soaked in white vinegar.

**Germs.** Wipe your wooden cutting boards with full strength white vinegar to disinfect them.

**Plant food.** In hard water areas, add a cup of vinegar to a gallon of tap water for watering acid-loving plants like rhododendrons, gardenias or azaleas. The vinegar will release iron in the soil for the plants to use.

**Minerals.** To remove the white salt deposits on old clay flower pots, soak the pots in full strength vinegar.

**Clogs.** Pour boiling vinegar down sink drains to remove clogs.

**Shine.** Make patent leather shine by wiping it down with a soft cloth soaked in vinegar.

**Sparkle.** Wash windows with a mixture of equal parts white vinegar and warm water. Dry with a soft cloth. This solution will make your windows gleam and will not leave the usual film or streaks on the glass.

"Dreamt" is the only English word that ends in the letters "mt".?
