PRESIDENTS MESSAGE

Thanks to the team of Professional Auctioneer Bill Holland and pro tem assistant Joe Wasielewski we had an entertaining and profitable October meeting. Thanks, also, to our Program Chair, Alex Stall, for making it happen, and to all who con-

tributed the many consignments that were quickly redistributed to the successful bidders.

Just prior to the October meeting our Board met and agreed that: The December 6, 2008 Christmas Dinner will be focused on a celebration of good fellowship and the Holiday Season; time will be allowed for both the election and the Awards Ceremony at our November 21 meeting, with the elections starting at 7:00 p.m., immediately followed by the Awards Ceremony in lieu of the business meeting; and the Induction Dinner will be held Saturday evening, January 17, 2009. It was also agreed that NORG will celebrate its 40th Anniversary with a Dinner and Program during the month of September 2009; Don Clink, Craig and Annette Gorris, and Regis Schilling will plan and coordinate the Anniversary Celebration. Other business included authorizing the purchase of a pair of magnetic signs (as described in the Sep-Oct V-8 Times (pg 13)) to be used on the lead car of NORG's tours, and asking Don Clink and Dick Deyling to update NORG's Call List to take advantage of the large number of members with e-mail.

Although Mother Nature kindly extended our time to enjoy our Flatheads, she wasn't so kind to our touring desires when a week of rain required Barb and Bill Soltis to cancel the October 25 Covered Bridge Tour. Thanks, Barb and Bill, for the Fall Tour planning and organizing; hopefully, we can include this as one of our first Tours in 2009.

Please remember that our November 21 meeting will start one-half hour earlier than usual, at 7:00 p.m. We have an excellent slate of candidates for 2009 Officers and Board Members: Neal Garland, President; Dan Burngasser, Vice President; Barbara Soltis, Secretary; Anne Davis, Treasurer; and, for the Board, Ken Canankamp, Ginny Herrmann Jeep Iacobucci, Bill Royer, Regis Schilling, Alex Stall, and John Swigart. After showing our support for the candidates of choice, we will move into the Award Ceremony, recognizing a select few of the many who have contributed to NORG's success and fun.

See you on the 21st.

Minutes From the Meeting of October 18, 2008

President Foster Buchtel attempted to call the meeting to order at 7:35 p.m. And at 7:40 p.m. And at 7:45 p.m. Then he gave up and started the meeting anyway. Foster thanked Pat and John Swigart for providing coffee and cookies for the evening. Guest

Dave Ebbie (I hope I got that right) was introduced. Welcome, Dave!

The secretary made up some minutes about last month's meeting. Since most of it was true, Bill Royer moved that the minutes be accepted. Well, all right, some of it was true. Didn't get who seconded it. Motion passed.

Treasurer Ann Davis reported on--what else?--our treasury. We are absolutely rolling in money. Well, all right, we have enough to buy one club member a full tank of gas--which is no small deal these days! The Absolutely Last Annual Pig Roast brought in a very tidy sum, one-half of which will be donated to the Hattie Larlham Foundation for severely handicapped children. Ann suggested that we might have enough in the treasury to justify a donation to another charity as well. Foster suggested that the board of directors discuss this at the next board meeting.

Activities co-chair Barb Soltis announced that we will have a covered bridge tour on October 25. Call Barb or Bill Soltis and let them know if you will attend. We will meet in the back parking lot of the Cracker Barrel Restaurant in Rootstown. Be ready to leave the parking lot by 9:00 a.m. A second meeting place for those who want to join in a bit later will be at the intersection of Ohio routes 322 and 534 at 10:00 a.m. There will, of course, be an ice cream stop along the way.

Bill Royer reported on the 1939 dash project. Work is progressing nicely. Bill asked for and received permission to send the speedometer faceplate out to be professionally refinished.

Newsletter editor Georgene was not able to mail out the September newsletter due to illness, but she did send out the e-mail copies. Those who receive printed copies will get them a bit late.

Historian Bill Royer said he will let us know if any club history happens. So far, no new old stuff this month.

Membership chair Dick Deyling informed us that about 35 members have paid their 2009 dues so far. Dick moved that the club roster be printed every year instead of every other year. Second by Jim Bates. The motion was approved.

Nominating committee chair Ken Canankamp presented the list of nominees for the clubs officers for 2009. They are: President--Neal Garland, Vice-president--Dan Burngasser, Treasurer--Ann Davis, and Secretary--Barb Soltis. Members running for board of directors are Jeep Iacobucci, Alex Stall, John Swigart, Regis Schilling, Bill Royer, Ginny Herrmann, and Ken Canankamp. Jean Rounds moved that the slate of nominees be accepted. Second by Karen Mihalek. Motion passed.

Program chair Alex Stall announced that he had planned a program for the ladies for November, but it will have to be postponed due to the fact that the November meeting will feature an awards program.

SEMA representative Pat Rooney had no report. Webmaster Don Clink has added a link to photos from the Grand National to our website. John Swigart reminded us that the Christmas party is coming up soon. November 29 is the deadline for getting your checks to him for reservations. (\$15 per person, I think.)

Jeep Iacobucci thanked all the members who helped with the pig roast. Their efforts were sincerely appreciated. Jeep also presented a special present to Barb Soltis--an autographed photo of former local race car driver Bill Forney, who is a friend of Jeep's.

President Foster announced that the November meeting will begin at 7:00 instead of at our usual time of 7:30. This is because he will be presenting some awards to certain club members. Let him know if you have recommendations for especially deserving members.

Foster also announced that we will have an Installation of Officers Brunch on January 17 at Stinger's Restaurant on State Route 3 between Medina and Seville. More on this later. Foster called for volunteers to begin organizing a 35th anniversary celebration in honor of our club's history. Regis Schilling and Don Clink volunteered to serve on this committee.

Foster also informed the club that the board of directors voted to purchase a pair of the magnetic signs offered by the national club to put on the lead car when we go on tours. This might be an additional way to advertise NORG and hopefully attract new members.

National president Craig Gorris reported on the state of the national club, including a description of the new national officers for the coming year.

Ruthie Canankamp offered thanks to Craig and Annette for the tremendous job they did on the Grand National meet in Dearborn and for their work in publicizing NORG. *Neal Garland, Secretary*

The meeting was adjourned. It was followed by a fund-raising auction conducted by auctioneer and NORG member Bill Holland. Members enjoyed bidding on a number of useful--and some not so useful--items. Proceeds will be added to the club's treasury.

Remember Our Vets
on Veterans Day and
always.

Pray for our Country on
November 22... And
always.

Saturday, December 6, 2008

This is your last notice for the Christmas Party. As many of you voted to have it here again. But this year we will be served in what they call the Cottage. It is a separate building just to the north of the entrance we used last year. It will accommodate 60 people so we will have more room.

Cost is \$16.59 per head. We will have family style Honey Baked Chicken, Roast Beef Garden Salad, Corn, & assorted home made pies. Please be there at 5:15PM... We have the room for 2 1/2 hours.

John must have a headcount and money no later than November 29, 2008

Does anyone recognize the person on the right in this picture? (with the old Republican). It's Nancy Collette. She's dressed in this way because she is promoting their church's fall festival and Sunday School program. She just happened to run into Abe at a community event. And said "We even square danced together:

Everyone have a great Thanksgiving day. And be Thankful for what you have!

Nancy Collette submitted this picture and caption to the Ford tractor magazine, The N-News. We were so excited when the magazine arrived with our tractor on the cover.

Here's the caption:

David Collette's friend knew he loved Ford V8s and told David about a 9N that his nephew bought and took apart 5 years ago. He then lost interest in the project. The friend offered to deliver it to David (in pieces of course) for \$200. Well, "the challenge was too much for Dave to pass up". And now, after painting and assembly, another vintage Ford is back to work!

A little bit of Sunshine

Haven't heard of anyone new that isn't up to par. Sure hope this is true. Have heard that our friend Dave Duda still isn't feeling well. Remember him in your prayers.

The most dangerous cake recipe

5 MINUTE CHOCOLATE MUG CAKE

- 4 tablespoons flour
- 4 tablespoons sugar
- 2 tablespoons cocoa
- 1 egg
- 3 tablespoons milk
- 3 tablespoons oil
- 3 tablespoons chocolate chips (optional)
- a small splash of vanilla extract
- 1 large coffee mug

Add dry ingredients to mug, and mix well. Add the egg and mix thoroughly. Pour in the milk and oil and mix well. Add the chocolate chips (if *using*) and vanilla extract, and mix again.

Put your mug in the microwave and cook for 3 minutes at 1000 watts (high). The cake will rise over the top of the mug, but don't be alarmed! Allow to cool a little, and tip out onto a plate if desired.

EAT! (this can serve 2 if you want to feel slightly more virtuous). *And why is this the most dangerous cake recipe in the world? Because now we are all only 5 minutes away from chocolate cake at any time of the day or night!*

*****New and correct "Mug Cup Recipe"*****

Sure hope no one tried to put the previous recipe in a mug.....

Coffee Filters Not just for making Coffee....

1. Cover bowls or dishes when cooking in the microwave. Coffee filters make excellent covers.
2. Clean windows and mirrors. Coffee filters are lint-free so they'll leave windows sparkling.
3. Protect China. Separate your good dishes by putting a coffee filter between each dish.
4. Filter broken cork from wine. If you break the cork when opening a wine bottle, filter the wine through a coffee filter.
5. Protect a cast-iron skillet. Place a coffee filter in the skillet to absorb moisture and prevent rust.
6. Apply shoe polish. Ball up a lint-free coffee filter..

7. Recycle frying oil. After frying, strain oil through a sieve lined with a coffee filter.
8. Weigh chopped foods. Place chopped ingredients in a coffee filter on a kitchen scale.
9. Hold tacos. Coffee filters make convenient wrappers for messy foods.
10. Stop the soil from leaking out of a plant pot. Line a plant pot with a coffee filter to prevent the soil from going through the drainage holes.
11. Prevent a Popsicle from dripping. Poke one or two holes as needed in a coffee filter.
12. Do you think we used expensive strips to wax eye-brows?? Use strips of coffee filters.
13. Put a few in a plate and put your fried bacon, french fries, chicken fingers, etc on them. Soaks out all the grease.

1936 Stainless Steel Ford

History of the Stainless Steel Car

In 1935, officials at Allegheny Ludlum Steel Division and the Ford Motor Company collaborated on an experiment that would become a legacy and a tribute to one of the most dynamic metals ever developed. Allegheny Ludlum, a pioneer producer of stainless steel, proposed the idea of creating a stainless steel car to Ford. The idea took shape in the form of a 1936 Deluxe Sedan. That car became the centerpiece of a campaign to expose the public to the new metal and its many uses. Allegheny Ludlum and Ford would later collaborate on two more stainless models, a 1960 Thunderbird and a 1967 Lincoln Continental Convertible.

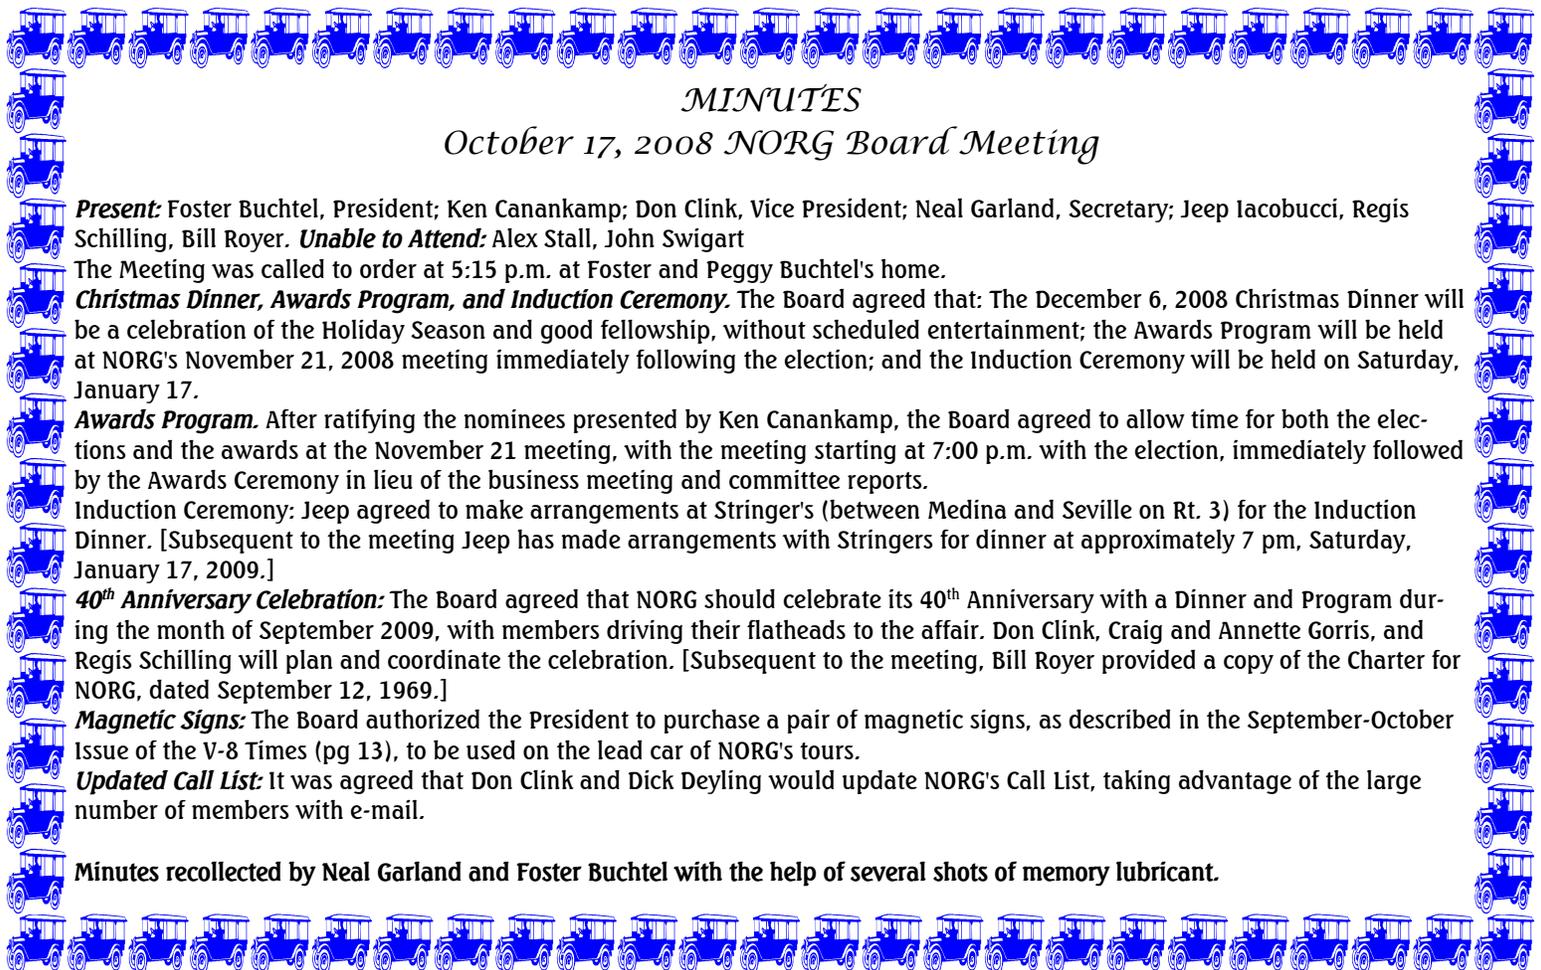

Of the 11 cars originally built, nine are still in use. The stainless steel cars were perfect vehicles for increasing awareness of the quality of the metal. And over the years, this quality has been shown in its stainless performance.

Of the six stainless steel cars that rolled off the Ford assembly line in Detroit in 1936, four exist today as living proof of the durability of stainless steel. One is on display at the Heinz Regional History Center in Pittsburgh, PA. Each of the original six logged at least 200,000 miles in the hands of Allegheny Ludlum officials before "retiring" to private ownership in 1946. Thousands of additional miles have been logged on the odometers since, and the shiny bodies have outlasted most of their non-stainless steel parts.

MINUTES

October 17, 2008 NORG Board Meeting

Present: Foster Buchtel, President; Ken Canankamp; Don Clink, Vice President; Neal Garland, Secretary; Jeep Iacobucci, Regis Schilling, Bill Royer. **Unable to Attend:** Alex Stall, John Swigart

The Meeting was called to order at 5:15 p.m. at Foster and Peggy Buchtel's home.

Christmas Dinner, Awards Program, and Induction Ceremony. The Board agreed that: The December 6, 2008 Christmas Dinner will be a celebration of the Holiday Season and good fellowship, without scheduled entertainment; the Awards Program will be held at NORG's November 21, 2008 meeting immediately following the election; and the Induction Ceremony will be held on Saturday, January 17.

Awards Program. After ratifying the nominees presented by Ken Canankamp, the Board agreed to allow time for both the elections and the awards at the November 21 meeting, with the meeting starting at 7:00 p.m. with the election, immediately followed by the Awards Ceremony in lieu of the business meeting and committee reports.

Induction Ceremony: Jeep agreed to make arrangements at Stringer's (between Medina and Seville on Rt. 3) for the Induction Dinner. [Subsequent to the meeting Jeep has made arrangements with Stringers for dinner at approximately 7 pm, Saturday, January 17, 2009.]

40th Anniversary Celebration: The Board agreed that NORG should celebrate its 40th Anniversary with a Dinner and Program during the month of September 2009, with members driving their flatheads to the affair. Don Clink, Craig and Annette Gorris, and Regis Schilling will plan and coordinate the celebration. [Subsequent to the meeting, Bill Royer provided a copy of the Charter for NORG, dated September 12, 1969.]

Magnetic Signs: The Board authorized the President to purchase a pair of magnetic signs, as described in the September-October Issue of the V-8 Times (pg 13), to be used on the lead car of NORG's tours.

Updated Call List: It was agreed that Don Clink and Dick Deyling would update NORG's Call List, taking advantage of the large number of members with e-mail.

Minutes recollected by Neal Garland and Foster Buchtel with the help of several shots of memory lubricant.
