## PRESIDENTS MESSAGE

This time of the year I am always reminded of the September Song "... and the days grow shorter as we reach September..." How true. It seems like just last week when Jeff Hill, Vice President of Retail Sales for North Gateway Tire, enlight-

ened us with his energetic presentation on tires, complete with examples, handouts and literature. A tough act to follow, but I believe our September 19 meeting will at least come close.

As our Stow meeting site is not available on September 19, Joey Jesser has graciously invited us to meet at his place for a presentation on "Classic Keys for Flatheads and Other Classic Cars." We will also be treated to a "picnic style" dinner, so come ready to enjoy an evening of good food, good information, and a good time. This is not the first event of a busy month.

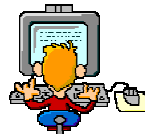

On Sunday, September 14, 2008. Jeep and Georgene will host the Annual "Absolutely Last Pig Roast," a fund raising event for both NORG and, this year, the Hattie Larlham Foundation, an Ohio-based organization dedicated to assisting disabled and special need children, adults, seniors, and their families. This well-attended gathering, feeding, and tale-swapping event is much like a family reunion for the Northern Ohio Regional Group and friends. It's a good time for a good cause, so don't miss it.. Arrive at about 12:00 pm Eat??

The following Sunday, September 21, Sonny Hunt will host a fish fry, 1:30 pm. to ?, For NORG and an array of other car clubs. Sonny will post our wooden V-8 Sign to identify our flatheads' special parking area. Bring a covered dish to share as we enjoy fish, hamburgers, hot dogs, and corn provided by the Sonny Crew. In addition to bringing out many stock, customized, and heated-up cars to admire and tickle your creative juices, this event has been known to spawn impromptu drag races.

Capping off the month, on Friday, September 26, Bob Jones has invited us to join other antique car collectors and aficionados at his business headquarters (BIE Inc.) for a 4 to 9 p.m. Open House, where we will meet pioneer drag car racers Otie Smith and Arlan Vanke, spend time viewing Bob's most impressive car collection (including guest Gene Blackford's classic, customized 1950 Olds 88, "The Polynesian"), enjoy good food, and engage in conversation with like-minded gear heads.

Maps to each of the above three events, which have drawn between 200 and 300 participants in the past, are provided inside these pages for those of you not familiar with "how to get there."

I'll see you on the 14<sup>th</sup>, and the 19<sup>th</sup>, and the 21<sup>st</sup>, and the 23<sup>rd</sup>! In the meantime, get your flatheads tunes, toned, and spiffed up to show off at these events, and be alert to possible recruits for NORG membership at each event. Happy fixing, waxing, and cruising. **President, Foster**

# Minutes From the Meeting of August 15, 2008

The meeting was called to order at 7:35 p.m. by president Foster Buchtel. Foster offered congratulations to Rose Deyling for winning the necklace that was the major raffle prize at the Grand National meet in Dearborn. Rose had several offers from club members for free trips to Las Vegas, but she turned them down.

Minutes from the previous meeting were read, but they were approved anyway (move for approval by Bill Royer and seconded by Ken Canankamp).

Foster announced that due to complications in their plans, the picnic at the Herrmann's has been canceled.

Treasurer Ann Davis reported that our treasury has not suffered any major disasters yet, so we are still in good financial shape. So far. She noted that our CD will mature soon, so we should consider options for reinvesting the money.

Jeep suggested that one-half of the proceeds from this year's Last Annual Pig Roast be donated to the Hattie Larlham Foundation, which provides care for seriously handicapped children. Ken Thomas moved that we do so. Club members voted in favor of the idea. Activities coming up include the Last Annual Pig Roast at the Iacobucci's on September 14. Plan to arrive about 1:00. All those attending will be asked to contribute \$15 per person, which will go toward paying for the outing and for the Hattie Larlham Foundation.

Sonny Hunt will sponsor another fish fry at his home on September 21. Plan to arrive about noon. Bring a covered dish to share and lawn chairs to sit on while you enjoy more of Joe and Ann's fabulous fish!

Member Bob Jones is planning to hold another open house in the near future. More on this later.

Bill Royer reported that the parts sent to the chrome plating shop for the 1939 dash project have not returned from the plating shop yet, so there has not been much change in the status of the dash. In his role as club historian, he also reported that the club did not make any new history this month. He reminded us that the "how to" tapes and DVDs on auto restoration are available to any club member willing to leave his or her first-born on deposit while the tapes or DVDs are out.

Dick Deyling informed us that Gene Sanders has renewed his membership. Welcome, Gene!

Nominating committee Chair Ken Canankamp had no report. Program Chair Alex Stall reminded us that the September meeting will be held at Jesser's key shop in Akron. Directions on how to find the shop will be in the September Headliner.

Sunshine Co-Chair Barb Soltis reported that she has been busy in the past month. Cards were sent to Charlie Jandik, Barb Rooney, Jean Rounds, Dave Duda, Grant Oaks, and Jeep and Georgene Iacobucci (regarding the death of Jeep's mother). A card will be sent to Ray Moore wishing him a speedy and complete recovery from the injury he suffered at the national meet.

Jeep commented on the poor club turnout for events held at the VA hospital and at the Mt. Alverna Nursing Home. The club should discuss ways to improve participation in these very worthwhile events.

Herman Roth moved and Rags seconded that the club should get 24 new license plate toppers made as soon as possible. Dick Deyling will discuss this with Gene Sanders and find out what the cost will be.

The coffee can drawing was won by Dave Collette, but since he was not present another \$5 was added to the coffee can. Foster thanked Dan and Ginny Herrmann for tonight's coffee and cookies.

The meeting was adjourned at 8:10 p.m. Then Foster introduced Jeff Hill, who represents the Northgate Tire Company in Seville, Ohio. Jeff presented a very interesting program on the history of tire development and provided much useful information on differences between bias ply and radial tires, as well as pointing out how to interpret the writing that we see stamped into the sidewalls of all new tires. Jeff also donated a number of tickets to the Mid-Ohio racetrack for our 50/50 drawing, as well as presenting members with a number of "goodies" from Northgate and its suppliers. Thanks much, Jeff, for the program and the goodies!

Respectfully submitted,  
*Neal Garland*, secretary

## Tips and Tricks From the Bench of Bill Royer

Do you need air lines in your garage, but cannot handle the job of cutting and threading black pipe and screwing it together and don't have the proper plumbing tools to do the job?

Try using white PVC plastic pipe and fittings. It is good for 600PSI. All you need is 150 PSI max for air tools and 30-50 PSI for painting. Suggest 1/2" pipe for small garages and 3/4" pipe for large garages. PVC pipe can be cut to lengths with a hack saw or saber saw. Can be glued together with PVC solvents. When all your piping is mounted to the walls, you can connect the lines to your compressor with a length of 3/4 heater hose and clamps.

I have been using this air line system in my four car garage for 10 years. You will like it simple and easy. *Bill*

**Christmas Party Update**

The party will be at the same place as last year. Das Dutch Kitchen in Dalton Ohio  
 We will be served in what they call the Cottage. It is a separate building just to the North of the entrance we used last year. It is a little larger, and accommodates 60 people.  
 Since we are using the Cottage it will cost \$16.59 per head. Be there by 5:15PM. We have it for 2 1/2hrs anything over is \$50.00 P.H.  
 It will be family style. Honey Baked Chicken and Roast Beef, Garden Salad, Corn, Assorted Home Made Pies.  
 The date is Saturday, December 6 2008. I must have a head count and your money no later than 29 Nov 08.

# *A Note of Interest shared from Craig Gorris*

Received a note from a buddy in New Zealand. It read *I met a guy in Queenstown at Easter in a restored '56 Mainline Ute. Apparently it was his Grandfathers and had been in the family since new. It was a superb restoration and we took photos of the Utes together*

Thought you might be interested in this. The 46 ute belongs to Dave Warman of Christ Church. I drove it and it is quite a vehicle

Today he sent me a photo of his fathers Mercury 17,500 miles and original tires which they have also had in the family since new. I bet there's not another one like that around anywhere. They hail from down south somewhere.

## A little bit of Sunshine

Lets keep on keeping our V8 brothers and sisters in our prayers and remember to send a card now and again to let them know we're thinking of them...

A card was sent to Ray Moore from the club for a speedy recovery due to injuries sustained at the National meet.

If any of you know about any of our folks having a rough time please let us know.... We're all getting up there and could use some "sunshine"

## HEARTY VEGETABLE SOUP

As cooler fall weather sets in later this month, you may find yourself wanting to cozy up to a filling bowl of

### INGREDIENTS

- 1 tablespoon olive oil
- 1 medium onion, chopped
- 2 garlic cloves, minced
- 1 teaspoon dried oregano
- 1 bag (16 ounces) frozen mixed vegetables
- 1 can (14.5 ounces) diced tomatoes
- 1 can (14.5 ounces) tomato puree
- 1 package (48 ounces/6 cups) chicken broth
- 1/2 cup uncooked ditalini or other small tubular pasta
- 1 can (15.5 ounces) Great Northern beans, rinsed and drained
- 1/4-1/2 teaspoon crushed red pepper flakes
- 1 teaspoon salt
- Freshly ground black pepper, to taste
- Freshly grated Parmesan cheese

### INSTRUCTIONS

1. Heat oil in a large heavy pot over medium-high heat. Add onion and sauté for 5 minutes. Add garlic and oregano and sauté for 2 minutes more.
2. Stir in frozen vegetables, diced tomatoes, tomato puree and broth and bring mixture to a boil. Reduce heat and simmer for 5 minutes.
3. Add pasta, beans and crushed red pepper flakes, simmer 12-14 minutes or until pasta is tender, stirring occasionally.
4. Remove from heat. Stir in 1 teaspoon salt and several grinds of black pepper.
5. Taste and adjust seasonings as needed.

Grandma and Grandpa Duda welcome Nathaniel (Nate) Beecher Duda to the family on Aug. 21, 2008. He weighs in at 7 lbs. 12 oz. and 21 inches. Both baby and mom doing well. Big sister, Abi, and dad also well.

## WOMEN'S REVENGE

"Cash, check or charge?" I asked, after folding items the woman wished to purchase. As she fumbled for her wallet, I noticed a remote control for a television set in her purse.

"So, do you always carry your TV remote?" I asked.

"No," she replied, "but my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally."

Before you pour sticky substances into a measuring cup, fill it with hot

water. Dump out the hot water, but don't dry the cup. Next, add your ingredient, such as peanut butter, and watch how easily it comes right out.

Q: Where can women over the age of 60 find young, sexy men, who are interested in them?

A: Try a bookstore under fiction.

Q: What can a man do while his wife is going through menopause?

A: Keep busy. If you're handy with tools, you can finish the basement. When you are done you will have a place to live.

Q: How can you increase the heart rate of your 60+ year old husband?

A: Tell him you're pregnant.

Q: How can you avoid spotting a wrinkle every time you walk by a mirror?

A: The next time you're in front of a mirror, take off your glasses.

Q: Why should 60+ year old people use valet parking?

A: Valets don't forget where they park your car.

Q: Is it common for 60+ year olds to have problems with short term memory storage?

A: Storing memory is not a problem, retrieving it is a problem.

Q: As people age, do they sleep more soundly?

A: Yes, but usually in the afternoon.

Q: Where do 60+ year olds look for fashionable glasses?

A: Their foreheads.

Q: What is the most common remark made by 60+ year olds when they enter antique stores?

A: "I remember these!"
