## PRESIDENT'S MESSAGE:

### Greetings!

Another month of fun with flatheads and friends! Jay and Jean Rounds expanded our flathead car show venue by working with the Coddlers' Car Club and the Amherst Historical Society, and our partnership with the Nifty 50's Ford Club provided a large field of cars at the Mt. Alverna Nursing Home, resulting in happy residents, nostalgia, and warm feelings. Dave and Nancy Collette again hosted a fun and fattening cookout that included a scenic tour traveling to their farm. Unfortunately, a family commitment took Peggy and me to Minnesota that weekend, and we missed the fun and food.

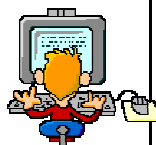

Bill Royer had to cancel his K.R. Wilson Tools presentation for our July meeting due to a nasty attack of the Shingles. The good news is that Bill is recovering well and has agreed to reschedule for 2008 when, hopefully, the discomfort and aggravation will be history. Fortunately, our "tech talk and tips" session was productive, progress was reported by Ann Davis on the 1939 Ford Dashboard Project, Barb and Bill Soltis' cookies and coffee were enjoyably consumed, and the void created by Bill's absence was filled with talk of Shingles, flatheads, cruises, tours, and things mechanical.

Our August presentation, Flathead Electrical, will be ably presented by Regis Schilling, who always does a good job of demystifying flathead electricals and electronics. Be sure to attend with a friend, and bring your flathead for pre-meeting tire kicking.

Our increased attention to working with other car clubs to broaden our base of cruises, shows, outings, and flathead aficionados – current and potential – is part of a Board-recommended strategy to make our club more accessible to those who have trouble making the meetings because of work schedules, distance, and/or not remembering the fun of flathead sharing. I appreciate the dedication of the Board and our core base of movers and shakers who have helped make things happen. In particular, let me call your attention to Georgene Iacobucci's enthusiastic highlighting of activities in the Headliner pages. Please review these activities and take part. Also, please tell me your suggestions for activities and volunteer to become one who "makes it happen."

In the meantime keep those flatheads shiny and purring, and ready for the next outing.

Foster S. Buchtel, President

# MINUTES FOR THE MEETING OF JULY 20, 2007

The meeting was called to order by president Foster Buchtel at 7:40 pm.

Noting the rather small attendance, it was noted that many of the members were attending the Central National Meet in Winona, Minn. Also, believe it or not, we will not have a speaker again this month. Bill Royer, our scheduled speaker has shingles.

Foster thanked Barb Soltis for the coffee and cookies.

Foster had announced at the June meeting the death of Truman Fisher. At the July meeting he informed the membership that Truman had passed away on May 21, 2007 and had requested no services. He was buried at the Veterans Cemetery in Rittman, Ohio. In lieu of flowers, it was decided to send a contribution to the Heart Association in his name.

The minutes of the June 15, 2007 meeting were read. Charlie Jandik corrected the spelling of his name, otherwise the minutes were approved.

President Buchtel gave a report of the last Board Meeting in June at which there was a discussion of attendance at meetings and outings. There will be a continued discussion at the next meeting with the hope to find ways to increase the attendance problem. They will also be working on updating the by-laws. A summary was given on the scoring of Bill Crone's car at the Eastern National Meet. Foster is drafting a letter to Craig Gorris regarding the situation.

Treasurer Ann Davis reported a balance of \$1906.60 in the checking account with no payouts being made in the past month.

Regarding membership, Dick Dyling had the same concerns as reported above.

Sunshine Chairperson Ruthie Canankamp sent sympathy cards to Lois Marx for the death of her grandson and to Anna Mary Fisher for the death of Truman. She also sent a get-well card to Jenny Roth due to a leg concern.

Georgene Iacobucci, editor of the Headliner voiced her concerns as to whether those receiving the Headliner by e-mail were actually receiving them. Club Webmaster Don Clink instructed her on how to flag the newsletter so she would know when they were opened. She would also like articles to be sent to her.

Ann Davis reported she hopes to have the '39 dash wood grained by the next meeting.

There was no old business to report. Under new business, Dick Dyling reported on the car show at the Veteran's Hospital on July 7, 2007 with the Nifty Fifty Club. Said it was a very moving day.

A reminder was made of future activities: Collette Picnic on July 29th, Dayton Tour with the Nifty Fifties September 7, 8, and 9th and the '32 Celebration in Dearborn on August 9th through 12th.

Jim Bates made a motion to adjourn which was seconded by Joe Wasielewski

Respectfully submitted,  
*Debra Stall, Secretary Pro Tem*

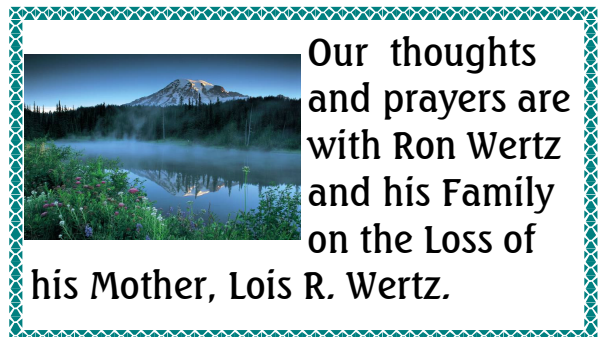

Tool Box John Coleman won from the V8 National Meet in Virginia, with Dave Gunnerson Who delivered it.

## DAD SAID'S BY TRUMAN FISHER "FILL THE RADIATOR WITH PURE ANTI-FREEZE"

**Wrong.** Coolants are mostly glycol, and too much glycol can damage gaskets. Pure glycol freezes before a glycol/water mix does, so it provides less cold-weather protection. Also, glycol isn't as effective as water at removing heat from the engine.

### ENJOYING THE DAY AT COLLETTES BI-ANNUAL PICNIC

The Collettes did it again. There were many car clubs attending this year which gave us the opportunity to meet & make new friends. Nancy handled the abundance of people drooling while eyeing the food tables in a unique & tactful manner.... She acknowledged the crowd then with her band triangle she announced in her sweet & tiny voice "OHIO came the farthest .They get in line first" And so we happily did as instructed Jeep would like to thank Lois & Rags for the Birthday Cake & to Nancy conducting the singing of Happy Birthday

### CRUISE AT ALVERNA NURSING HOME

What a fun day this was with the Nifty Fifty Club. We were treated like royalty by the employees who prepared a great meal for our group. It was really special to meet Ron Mihalek's Mom and her house friends. You could see the joy on their faces just for the diversion from their normal day. To add to the day the weather couldn't have been nicer

## DAYTON CRUISE SEPTEMBER 7<sup>TH</sup>, 8<sup>TH</sup> & 9<sup>TH</sup>

This is also open to the Early Ford V-8 Club. Please contact Jeep or me for a head count by August 15<sup>th</sup> at 330-887-5416 (Jeep), or Mike at 216-469-8313

Thanks to Tom Miklacić, who has contacted the Holiday Inn Express and negotiated the rates for the rooms. They are as listed below:

20 rooms at \$84.00 per night, 10 King rooms, 10 Queen rooms

**Holiday Inn Express**

**5655 Wilmington Pike, Centerville, Ohio 45459**

**Phone # 937-424-5757**

Plan of Schedule:

9/7/07 Friday, meet and leave about 9:00 AM. Location will be determined at a later date. Upon arrival and after freshening up, Bob & Mary Kay Burgess have set up a tour of the Packard Museum from 3:00-6:00 PM. A buffet will be set up with pizza, ½ sub for each, appetizers (wings, bread sticks, mushrooms, cheese sticks, celery & blue cheese, marinara sauce), salad with grilled chicken breast and dressing and beverage (1 can per guest), with the cost being approximately \$15.00 per person. Afterwards, we will do the Graeder's Ice Cream Tour.

9/8/07 Saturday, Bob has setup a visit to the home of Jim Walker & his 40 plus collection of antique cars & memorabilia. From 1930's onward, he & his father owned & operated the largest Lincoln Mercury Dealership in the Dayton area. He has a superb personal collection of 30's, 40's & 50's vehicles & many interesting stories related to them. All are housed in a giant horseshoe shaped garage on his property. Should be fun & interesting tour.

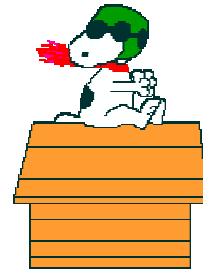

9/8/07 Saturday, Mary Kay has planned a tour for the ladies to "The Greene"—a new shopping center with unique retail stores, shops & restaurants or, a trip to nearby Waynesville, which is a town with about 2 miles of Antique Shops for the ladies that would prefer to shop instead of looking at cars. I find that hard to believe.

9/8/07 Saturday evening after the tours, Bob & Mary Kay will host a dinner at their place, where we can relax outdoors, eat, tell tall car tales, wander through their woods (10 1/2 acres), and view Bob's fine collection of cars. The cost is approximately \$20.00-\$25.00 per person. A final cost will be known by the next newsletter.

9/9/07 Sunday, on your own.

Everything will be finalized and published in the next newsletter. When we went to Dayton two years ago, it was one of the more memorable cruises I have attended and I am really looking forward to this one also. Bob has quit the collection for us to view.

P.S Bob did make reservations for a tour of the Memphis Belle, which is only at 12:00 noon on Friday, in case anyone is interested in arriving early. But, he needs to know so he can add your name to the list, as there is only a limited number allowed

Mike, Nifty Fifty President

### **\*\*\*Please Note \*\*\***

**If you are planning on making the trip to Dayton with the Nifty Fifties**

- **We will DEPART from the T/A Truck Stop on 224 & 71**
- **TIME Friday September 7, 2007 - 9:00 am**
- **WE WILL LEAVE AS A GROUP**

### **COOKIE BAKERS 2007**

- August - Debbie Stall
- September - Regina Jandrey
- October - Loretta Duda
- November - Lois Stallard

Make Tuesday August 14th an event that you won't miss. It's the cruise with the Nifty Fifties to Regina Rest Home.

It will do your heart good to see the expressions on the faces of the older folks when they see our old cars. There will be a hot dog, chips and prizes. 4 u

# TIME TO COOK

## TIPS FOR DIPS

### SIMPLE PITA CRISPS

If you're going to have dips, you'll need something to dip in them. While fresh, raw vegetables are always a great option, these simple pita crisps provide another healthy choice for your yummy dips.

#### INGREDIENTS

- 12 pita bread pockets
- 1/2 cup olive oil
- 1/2 teaspoon ground black pepper
- 1 teaspoon garlic salt
- 1/2 teaspoon dried parsley

#### INSTRUCTIONS

- Preheat oven to 400°F.
- Cut each pita bread pocket into triangles, about 8 per pita, then place them on a lined cookie sheet.
- Combine the oil, pepper, garlic salt and parsley in a small bowl and brush onto one side of each triangle.
- Bake in the oven for about 7 minutes, or until the corners are lightly

### CHEESY ONION DIP

This warm onion dip is so easy to make—just chop, mix and bake. Try serving it in a bread bowl—cut off the top of a loaf of pumpernickel or sourdough bread and scoop out the middle to make a bowl.

#### INGREDIENTS

- 1 1/2 cups chopped Vidalia onion
  - 1/2 cup chopped green onion
  - 1 clove garlic, minced
  - 1 cup mayonnaise
  - 1 cup shredded provolone cheese
  - 1 cup shredded parmesan cheese
- Serve with chunks of bread

#### INSTRUCTIONS

- Preheat the oven to 350°F.
- In a medium bowl, thoroughly mix together the onion, garlic, mayonnaise and cheese. Transfer to a small casserole dish.
- Bake for 30 minutes in the oven, until the onions are tender and top is golden.
- Serve in the casserole dish or a bread bowl with chunks of bread.

### SPINACH ARTICHOKE DIP

Spinach dips always seem to be among the most popular at parties, but this recipe uses artichoke hearts and Alfredo sauce to add a new taste to this old favorite.

#### INGREDIENTS

- 1 can (14 ounce) artichoke hearts, drained and chopped
  - 1/2 package (10 ounce) frozen chopped spinach, thawed
  - 1/4 cup sour cream
  - 1/4 cup mayonnaise
  - 1/2 cup Alfredo sauce
  - 1/4 cup shredded Italian cheese mix
  - 1/4 teaspoon minced garlic
- Serve with tortilla chips or pita crisps

#### INSTRUCTIONS

- Preheat oven to 375°F.
- In a small baking dish, mix together artichoke hearts, spinach, sour cream, mayonnaise, Alfredo sauce, cheese and garlic. Cover dish.
- Bake until heated through and bubbly, about 25 minutes.

Think of a number.  
Multiply it by 3.  
Now add 5.  
Take away the number you first thought of.  
Now add 7.  
Subtract 2.  
Add back the number you first thought of.  
Now, close your eyes.

Dark, isn't it?

Once upon a time, there were four people; Their names were Everybody, Somebody, Nobody and Anybody.

Whenever there was an important job to be done, Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it.

When Nobody did it, Everybody got angry because it was Everybody's job.

Everybody thought that Somebody would do it, but Nobody realized that Nobody would do it.

So consequently Everybody blamed Somebody when Nobody did what Anybody could have

### HELPFUL HINTS

#### Reheat Pizza

Heat up leftover pizza in a non-stick skillet on top of the stove. Set heat to med-low and heat till warm. This keeps the crust crispy. No soggy micro pizza.

#### Flexible vacuum

To get something out of a heat register or under the fridge, add an empty paper towel roll or empty gift wrap roll to your vacuum. It can be bent or flattened to get in narrow openings.

#### Broken Glass

Use a dry cotton ball to pick up little broken pieces of glass ... the fibers catch ones you can't see!

#### Good-bye Fruit Flies

To get rid of pesky fruit flies, take a small glass fill it 1/2" with Apple Cider Vinegar and 2 drops of dishwashing liquid; mix well. You will find those flies drawn to the cup and gone forever!
