VOLUME 14 NUMBER 11

November, 2007

## PRESIDENTS MESSAGE

What a great way to approach the year's closing. Our October 19 speaker, Preston Buchtel, revved up our thinking and dreaming about our own special flat-head garage so we can pursue our design fantasies over the winter months, and Barbara Soltis teamed up

with Dave and Nancy Collette for a beautiful Fall Foliage Tour of eastern Pennsylvania and a visit to a well-hidden, but super, private car collection.

But, as they say on the late night television commercials, "Wait! There's more!" The big November 16 meeting is coming up! First, we are all looking forward to the "Ford Memorabilia" to be program presented by our own Bill Cassidy who is known nationally for his memorabilia collection and his collective memory of things Ford! Speaking of memory, some may recall the relatively recent V-8 Times article featuring Bill and his collection. Second, we will be electing our officers for 2008. The slate: President, Foster Buchtel; Vice President, Don Clink; Secretary, Neal Garland; Treasurer, Anne Davis; and Board, Ken Canankamp, Jeep Iacobucci, Bill Royer, John Swigart, and Alex Stall. Come ready to be informed and to vote!

As noted elsewhere in this Headliner, the December Program has been arranged by John and Pat Swigart: our annual Christmas Party/Installation/Recognition Dinner on December 8 at Das Dutch Kitchen on Rt. 30 in Dalton. Please let Pat or John know that you will be attending, and send in your check no later than November 30. I don't know about you folks, but I have already started making room for both a sumptuous Thanksgiving Dinner, followed by our December 8 table-straining Amish Style Dinner, and wrapping up with the annual New Year's resolution (right after our traditional New Year's Eve Pork and Sauerkraut) to restrain my gluttony for 2008!

Looking forward to seeing you on the 16<sup>th</sup> and hearing Bill Cassidy's presentation.

Foster S Buchtel,  
President

## OFFICERS & BOARD 2007

- President Foster S. Buchtel
- Vice President: Regis Schilling
- Secretary: Neal Garland
- Treasure: Ann Davis

Board of Directors  
Ken Canankamp  
Bill Royer  
Jeep Iacobucci  
John Swigart  
Alex Stall

Kick tires at 7:00 pm  
Meeting begins 7:30 pm  
Need to be out of there by 10:00 pm

All V8 meetings will be at the Stow Community Center  
3800 Graham Road  
Stow, Ohio

## THE DIFFERENCE BETWEEN VETERANS DAY AND MEMORIAL DAY

*Memorial Day honors servicemembers who died in service to their country or as a result of injuries incurred during battle. Deceased veterans are also remembered on Veterans Day but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime.*

# MINUTES FOR THE MEETING OF October 19

The meeting was called to order at 7:30 p.m. by president Foster Buchtel. Foster introduced his brother Mike-- who many of us know already (Oh no--there's more than one Buchtel!) and Mike's son Preston, who will be our speaker for this evening. (Sorry--I didn't get the names of their lady friends.)

Foster thanked Loretta and Dave Duda for the coffee and cookies for tonight. Minutes were read from the previous meeting and were approved as read.

Treasurer Ann Davis reported that our treasury is in much better shape now than it was last month, thanks to money brought in by the Last Annual Pig Roast held at the Iacobucci's and to the auction held last month with Bill Holland holding forth as the auctioneer. Also, the club's CD will be coming up for renewal soon. Ann will make a recommendation regarding its renewal. Bill Royer is working on the 1939 dash project. He is restoring the instruments and the wiring. Bill asked for suggestions regarding how to clean the instrument faces without removing the lettering.

National president Craig Gorris reported on the Ford V8 Foundation's plans to begin construction of a 40,000 square foot building before the end of this year. He informed us that he has been elected to continue on for another year as national president. Congratulations, Craig!!! Craig encouraged NORG members to consider running for the national board of directors. New policies instituted by the national club will help members of the board with some of the expenses for attending national board meetings. Craig also noted that 6-volt LED taillight bulbs are now available for our early V8s.

Barb Soltis reminded us that we will have a club tour this Sunday. Meet at the intersection of 534 and 224 at 11:00. We will caravan to Brown's Country Kitchen in Pennsylvania where Dave and Nancy Collette will meet us and guide us to a private car collection nearby.

Historian Bill Royer was not able to manufacture any history this month, but he is working on it. Membership chairperson Dick Deyling reminded us that club dues for 2008 are due. Dick informed Guy Shively that we will publish a new roster every other year. Guy still will do the cover for our roster.

SEMA representative Pat Rooney announced that there now is a national caucus of legislators who are supporters of old cars. This has to be good news for the old car hobby!

After many years of excellent service, Ruthie Canankamp is resigning as Sunshine Chairperson. Many, many thanks from all the members, Ruthie! Sunshine duties will be taken over by Barb Soltis and Georgene Iacobucci.

Webmaster Don Clink told us that he has added information on the Grand National meet to our website, including a registration form. He also has added information on Jeep Iacobucci's colorful racing history. Or was that Jeep's racy coloring history? John Swigart reminded us that the Christmas dinner will be held on December 8. There will be a sign-up form in the November newsletter. John must receive your check no later than November 30 if you plan to attend. Cost will be \$15 per person.

President Foster Buchtel reported on the NORG board meeting that was held earlier today. Dick Deyling made a number of suggestions to the board regarding the recruitment of new members. Craig Gorris informed the board that the national club has membership kits that we might be able to use. We will consider publishing our "Tips and Tricks" on the website instead of in print. All present officers are willing to stand for re-election for next year. It was decided to ask Don Clink if he would consider running for vice president.

Ruthie reminded us that she still has the small NORG patches for sale for \$2.50 each. Barb Soltis congratulated Foster on yet another truly outstanding article in the V8 Times. This one was at least 127 pages long! Well, OK, not 127, but it was one of the longest regional group reports the magazine has ever published. At least, that's what we will tell everyone.

The meeting adjourned and guest speaker Preston Buchtel presented the program for the evening. Preston is an architect and he talked about things to consider when designing a garage for the antique car hobby. He had a very useful list of things to think about, including the architectural style, probable uses (restoration work vs. storage), electrical requirements, placement of the garage on the property, workbench space, parts storage, trophy and memorabilia display, parts washing and car washing facilities, heating, cooling, plumbing, moisture control, and a host of other topics. Thanks much to Preston for a very informative presentation! We went home. *Neal Garland, Secretary*

## DAD SAID'S BY TRUMAN FISHER "NO NEED FOR SNOW TIRES, ALL-SEASONS DO A FINE JOB."

Don't blame dad. When all-season tires appeared, the tire makers spent a lot of time and money convincing us of their year-round capability. Today, they're happy to explain why snow tires are better. Bridgestone engineering manager Mark Kuykendall says, "Snow tires have treads that remain pliable in the cold and are aggressive to catch the road surface."

<http://autos.msn.com/everyday/GasStations.aspx?m=1&l=1&zip=44273&x=17&y=9>

For those of you with internet: Use the above address to check on gas station prices using your zip code.... It works.... Make sure you use the complete address both lines ....  
*georgene*

*They hold elections in November because it's the best time for picking out a turkey.*

## 2007 FALL FOLIAGE TOUR OUTING

First off I would like to thank Nancy Collette, my pal for sending all the information and photos about this outing. It sure helps my job, as editor, a lot easier. Especially since I was not able to attend this function. So a big **THANK YOU Nancy**. I sat in our sunroom and said a little thankful prayer for the beautiful weather on that day.

The caravan of 40 drove through McConnells Mill State Park after meeting and having lunch. They also had the honor to Visit Dave and Karen Berg's collection of cars and memorabilia. (Dave is National President of AACA. He and his wife came to our picnic in the 30's Chevy fire engine). He has quite a collection and what a variety! Everything from an Auto Red Bug to a Duisenberg. He has a Rolls Royce Safari car and the last Checker Cab from Cleveland.

Stone & wood Bldg & Covered Bridge

Rocky River

Nancy sent a very interesting review of McConnells Mill State Park to share with all of us.

McConnells Mill State Park, in Lawrence County, encompasses 2,546 acres of the spectacular Slippery Rock Creek Gorge. Created by the draining of glacial lakes thousands of years ago, the gorge has steep sides and the valley floor is littered with huge boulders. A gristmill was built in the 1800s to harness the power of the water. The park is open from sunrise to sunset, year-round

Slippery Rock Creek is a Class II to IV river, depending on water level. Spring and Fall are the best time for boating.

Boaters generally start from Rose Point (US 422 bridge), outside of the park boundary, to Eckert Bridge, covering 2.5 miles with a portage around the dam at the Old Mill. It is illegal to "run" the dam. An additional 3.5 miles of whitewater from Eckert Bridge to Harris Bridge\* can extend the run for boaters to 6 miles. **(\*that's the first bridge you went over at the bottom of the hill after**

Group of happy diners with Barb and Dave the planners plotting in the background.

Jean & Annette looking over the Messerschmitt in Dave & Karen collection. (Hey don't ask me to pronounce that one, must be German)

Driving through McConnells Park

The Officers & Directors of the Early Ford V-8 Club will have their "Face to Face" meeting in Ft Meyers FL Feb 13-16. The dates & time for the Board Meeting is attached for your information. All members in good standing are invited to attend.

# TIME TO COOK

## You should try this!

Here is a new way to prepare your Thanksgiving Turkey.

1. Cut out aluminum foil in desired shapes.
2. Arrange the turkey in the roasting pan, position the foil carefully. (see attached picture for details)
3. Roast according to your own recipe and serve.
4. Watch your guests' faces...

May your stuffing be tasty  
May your turkey be plump,  
May your potatoes and gravy  
Have nary a lump.

May your yams be delicious  
And your pies take the prize,  
And may your Thanksgiving dinner  
Stay off your thighs!

Happy Thanksgiving!

## MARRIAGE SEMINAR

While attending a Marriage Seminar dealing with communication, Tom and his wife Grace listened to the instructor,  
"It is essential that husbands and wives know each other's likes and dislikes."  
He addressed the man,  
"Can you name your wife's favorite flower?"  
Tom leaned over, touched his wife's arm gently and whispered, "It's Pillsbury, isn't it?"

## HELPFUL HINTS

Dissolve soap scum from shower doors. Clean with a sheet of Bounce.

## A BRIEF HISTORY OF VETERANS DAY

Veterans Day, formerly known as Armistice Day, was originally set as a U.S. legal holiday to honor the end of World War I, which officially took place on November 11, 1918. In legislature that was passed in 1938, November 11 was "dedicated to the cause of world peace and to be hereafter celebrated and known as 'Armistice Day.'" As such, this new legal holiday honored World War I veterans.

In 1954, after having been through both World War II and the Korean War, the 83rd U.S. Congress -- at the urging of the veterans service organizations - amended the Act of 1938 by striking out the word "Armistice" and inserting the word "Veterans." With the approval of this legislation on June 1, 1954, Nov. 11 became a day to honor American veterans of all wars.

In 1968, the Uniforms Holiday Bill ensured three-day weekends for federal employees by celebrating four national holidays on Mondays: Washington's Birthday, Memorial Day, Veterans Day, and Columbus Day. Under this bill, Veterans Day was moved to the last Monday of October. Many states did not agree with this decision and continued to celebrate the holiday on its original date. The first Veterans Day under the new law was observed with much confusion on Oct. 25, 1971.

Finally on September 20, 1975, President Gerald R. Ford signed a law which returned the annual observance of Veterans Day to its original date of Nov. 11, beginning in 1978. Since then, the Veterans Day holiday has been observed on Nov. 11.

With warm wishes for a happy Thanksgiving and a delightful holiday season.
