## Newsletter of the Northern Ohio Regional Group #20 Early Ford V-8 Club of America Our 52<sup>nd</sup> Year

Volume 28 Number 7

July 2021

**Mission Statement:** “To preserve and authentically maintain vehicles manufactured by the Ford Motor Company for the model years 1932 through 1953 inclusive, and to serve as an accurate and technical source of information concerning these automobiles for the benefit of its members as well as the general public.”

Hello everyone, I hope you are coping with this hot weather. The farmer across the road said its so hot that his chickens are laying hard boiled eggs. 😊😊😊

The weather did cooperate with a beautiful day for our tour to Port Clinton to see the Ford Tri Motor being restored. Jack led us on the scenic route along the shoreline of Lake Erie. Great day, great time with great friends. Even ended with a great ice cream stop.

Thank you Jack for a really great day trip.

Looking forward out first meeting as it will be held on July 16th at Simon’s Deli in Brecksville. This will also be a dinner. I’m looking forward to seeing every one again and especially our new members. Try to be there and get all the latest information and changes needed to keep us together as a group.

More information will be provided by Annette and Craig . Information on the availability to resume our monthly meetings at the Community Center are still a little vague. Beth has been in contact, but haven't heard anything yet.

There are some excellent things to do so far and lots more to do this coming year. Yes, there will be some changes, so stay alert and stay active and glean the benefits of some or all of our events.

I personally want to thank everyone that has stepped up to the plate in difficult times to keep our club together. You guys are special. We are family, lets work hard and keep it that way.

EnjoyurV8B4its2L8

### 2021 ~ 2022 Northern Ohio Regional Group (NORG) Dues

At the last NORG Board of Directors meeting, the Board voted to re-instate our Dues. Last year, we suspended dues but continued to publish our Newsletter, the Headliner because they felt that we needed to provide stability and a means of communication to our members during the COVID crisis.

Since emerging from that fiasco we are again instituting our annual dues. The Board felt however that we should only charge members for the last half of 2021. To reduce paperwork, we are asking members for \$45.00 in dues to cover the last half of 2021 and all of 2022. *Note Annual dues are still \$30.00*

As we have in past years, we will be publishing a 2021 ~ 2022 Annual Roster The Board appreciates your support in this matter. **A membership form is on page 6**

### First NORG V-8 Club Meeting since COVID quarantine Simon's Restaurant 7:00 Friday, July 16<sup>th</sup>

Finally, we are able to meet again! Unfortunately our regular meeting is still closed, however the Board of Directors has decided to hold our July meeting at Simon's Restaurant in the Brecksville Shopping Center located on Route 82 and Route 21 in Downtown.

Simon's has a private room that we have reserved so you have the opportunity to arrive early and have your choice of meals from their menu. The room is located to the right of the main dining room. There is parking in the shopping center lot Suggest you arrive early if you wish to have dinner.

## **NORG Cruise to Liberty Air Museum, Port Clinton Oh. Drive your V-8 Day, Saturday, June 19<sup>th</sup>**

NORG members were treated to a wonderful tour . Members who that came were, Jack and Sharon Bukszar, Ted Cragulets, Jeep & Georgene Iacobucci, Bruce Lewicki and grandson, Denny & Dianne Moore, Steve Kronen, Dan & Dianne Francis along with 3 Guests including Diane's Dad Bob Drake. Jack and Jeep were the only ones brave enough to drive the old cars.

We had an excellent tour guide that gave us an in-depth and detailed tour of the museum along with an up close tour of the restoration shop and an up close inspection of the Ford Tri-Motor restoration which is about 3/4 complete.

After the tour of the Liberty Air Force Museum all 15 of us met for a late lunch and of course a stop for ice cream. Other than a few sprinkles it was a good day to get out and enjoy each other
