MINUTES FROM THE MEETING OF March 18, 2011

President Neal Garland called the meeting to order at 7:35 PM. Neal welcomed all Guests and members.

Thank you to Regina and Rich Jandrey for the coffee and cookies.

Our program for the evening was on Chrome Plating. Rich Jandrey introduced Scott Whitesel of Custom Chrome Plating in Grafton, Ohio. It all started when a speech therapist named Jon Wright had a dream. He had so many disappointments with chrome plating and through trial and error Jon accomplished what is known today as "Custom Chrome Plating". Custom Chrome Plating is one of the top two plating companies in the country. Three chrome qualities are offered. One is the factory quality, one is the show quality and one is the high quality which is the finest that can be done.

Chrome plating scheduling runs from four weeks to four months for a job. It takes time from cleaning the part to preparation and completing the job to the final finish.

Chrome plating is used on boats to planes to vacuum cleaners.

Custom Chrome uses several layers of plating to accomplish the mirror finish it is known for, which concludes Custom Chrome's motto of taking pride in customer satisfaction.

Ginnie Herrmann read the minutes from the meeting of February 18, 2011. The minutes were accepted as read by Jeep Iacobucci and seconded by Ken Canankamp.

Our Treasurer Anne Davis appeared with the checkbook and her Husband Joe was right. "We do have money!" Lois Stallard completed an audit so I guess NORG is in the \$ green \$.

Craig Gorris on membership stated to date everyone should have a roster.

The Ladies who brighten our days; Loretta Duda and Georgene Iacobucci have sent cards to Rose Deyling and to Charlie Jandik. A thank you card was read to the club from the Bates Family.

No SEMA report.

Regis Schilling reported on his visit with Carol Clink and he received a notebook on the NORG Web-site set-up. Regis gave this notebook to Craig Gorris who knows an individual who might be able to decipher the data. Neal Garland thanked Regis and Craig for all their efforts and time spent on this project.

Georgene mentioned that if anyone has information to be added to the NORG newsletter, please send her this information the first week of the new month. This way it is sure to be added.

Jeep Iacobucci spoke on the upcoming events: The Nifty Fifties cruise-in at Hartville is on May 21st and 22nd.

June 17th thru the 19th is the Southwest Michigan Tour. Foster Buchtel spoke about this tour and the free wife possibility.

Dave and Nancy Collette's picnic will be held on June 26, 2011 and the Eastern National Early V-8 meet in Saratoga Springs, PA. is on July 11th thru July 15th.

Please check out the social calendar for upcoming events.

There was a discussion on our club donations for this year.

Craig Gorris made a motion to make another Ohio basket for a raffle at the Eastern National meet from our club. Foster Buchtel seconded the motion and Jeep will spend \$75.00 for this basket and it will be mailed out this year.

Neal Garland and Foster Buchtel issued Jeep Iacobucci a hat for his garage that was well visited by the local pigeons.

Neal presented Georgene a plaque with her name listed on the front for her duties as our Newsletter Editor.

Neal also presented a plaque to Foster Buchtel for his contributions as the V-8 correspondent.

Then Foster in turn issued Neal a Cleveland OHIO map because of his tendency to take incorrect roadways around town.

Neal Garland adjourned the meeting at 9 P.M. and Bill Soltis seconded.
The next meeting is April 15, 2011.

Respectfully Submitted, Virginia Herrmann, Secretary
