VOLUME 16 NUMBER 11

November, 2009

www.norgv8club.org

When Samuel Langhorne Clemens, better known as Mark Twain, was a young man he took a job as a reporter for a newspaper in San Francisco. As he tells the story, he was sitting at his desk one day when a very distraught man walked in and announced that he had had

PRESIDENT'S MESSAGE

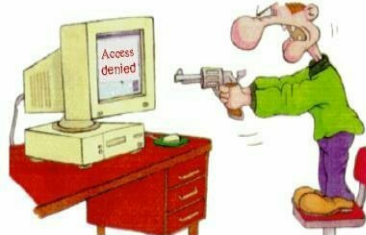

enough and he was going down to the beach and blow his brains out. If the reporter would like to cover the story, he should come along.

Hungry for a story to report, Clemens grabbed his notebook and his hat and accompanied the man down to the beach. Sure enough, the man waded into the water up to his knees, pulled out a revolver, and blew out all his brains. Clemens reported that it didn't hurt the man, though—he went on to get elected to Congress and remained there for many years.

Be assured that you don't have to resort to such drastic actions to get elected to an office in NORG. In fact, all you have to do is miss a meeting! In other words, remember that we will be holding our election of officers for next year at the November meeting, so come prepared with your campaign speeches—and don't forget to bring a pen or pencil to mark your ballot. And do consider volunteering to run for an office and/or stand ready to be appointed to a committee. Your talents are needed to keep this club running on all cylinders.

On a different note, congratulations are in order for NORG member Bob Jones. As you may be aware, Goodyear Tire and Rubber Company recently closed the Rubber Museum as a cost-cutting measure (another casualty of the economic melt-down). In that museum were two Indianapolis 500 race cars that had been campaigned to advertise Goodyear. Those two cars are now part of Bob's fantastic collection. One of them traveled to Bob's place of business (Business Interiors and Exteriors) on a flatbed truck accompanied by a parade of 32 antique cars that included a number of NORG members and their flatheads. We owe Bob a big thank you for preserving these bits of Akron's history and for keeping them in Akron. Way to go, Bob!

O.k., and now you'll do exactly what I'm telling you!

See you all at the meeting!
President, *Neal Garland*

“With thanks to Ginny Roth”

Our trip to Auburn was absolutely beautiful. The weather was perfect. The cars loved it, even on the return trip.

The host group was very helpful and kind.

The ladies luncheon was held at the Country Club where we were enlightened as to the progression of ladies undergarments.

We visited the ACD museum and checked out many Big Buck Cars.

The welcome party was held at the Kruse Museum. More beautiful cars and a very good Pasta buffet.

In Shipshewana we had lunch at a large Amish Restaurant, then wandered around the town looking into shops & vendors with some buying. Our group went to a pickle factory. I never knew you could do so much with pickling spices & HOT peppers.

The food was excellent at the Banquet. Slides were shown continuously of folks and doings at the meet..

Members attending were as follows. A few visited one day to see the cars.

All members that entered their cars received an award.

How about this for some of that left-over turkey

Turkey Pot Pies with Herbed Phyllo Crust

This recipe offers a combination of leftover roast turkey and vegetables with a creamy sauce. Served under layers of delicate phyllo pastry sprinkled with savory herbs

INGREDIENTS

- 2 tablespoons butter
- 2 tablespoons olive oil
- 1 small onion, chopped
- 3 tablespoons all-purpose flour
- 1 can (14 ounces) chicken broth
- 1 teaspoon salt
- 1/4 teaspoon freshly ground pepper
- 1 teaspoon Worcestershire sauce
- 1/2 cup frozen peas
- 2 cups leftover roasted vegetables, chopped into bite sized pieces (or 2 cups frozen mixed vegetables)
- 4 tablespoons chopped fresh herbs (such as parsley and dill)
- 3 cups leftover turkey, chopped into bite sized pieces
- 8 sheets phyllo dough, thawed according to package instructions
- Olive oil spray
- Salt and pepper, to taste

INSTRUCTIONS

1. Preheat oven to 350° F. Spray four individual gratin dishes (or 8-ounce ramekins) with olive oil spray.
2. In a large skillet, over medium heat, melt butter with 2 tablespoons olive oil. Add onion, and sauté 5 minutes or until soft. Reduce heat to low, and sprinkle flour over onions. Cook, whisking constantly for 3 minutes.
3. Whisk in chicken broth, salt, pepper and Worcestershire sauce, and bring to a boil.
4. Remove from heat. Add peas, chopped vegetables, 2 tablespoons herbs and turkey. Mix well and taste for seasoning. Divide between prepared gratin dishes or ramekins.
5. Lay one phyllo sheet on a large cutting board. Working quickly, spray with olive oil spray and sprinkle with a small amount of chopped fresh herbs. Top with the next sheet of phyllo, spray and sprinkle with herbs. Repeat with two more phyllo sheets, ending with a sheet sprayed with oil, but not sprinkled with herbs.
6. Using a pizza cutter or a sharp knife cut the phyllo stacks in half width-wise. Place each on a gratin dish and fold and crimp the edges to fit the dish. Cut a slit in the center of each crust. Repeat with the four remaining phyllo sheets, herbs and two remaining gratin dishes.

Bake 20-25 minutes or until golden brown. Let stand 5 minutes, and serve.

Contrary to popular belief, you can't judge a tire by its cover. Researchers and most experts agree that along with tread depth and proper tire maintenance, tire age is also crucial to your safety on the road.

This tire was bought as new -- it has never been on the road -- but was nearly 14 years old when purchased. Despite its deep treads, this tire's inside layers have been slowly decomposing and drying out, what experts say make it like 'a ticking time bomb.'

2009 Fall Foliage Tour

The day was crisp but beautiful. Sorry to say that most of the folks on our joint tour were from the Nifty Fifties Club. There were 15 of us that rode in the Caravan. We started the ride at Buckeye Woods Park First stop was at Sharon Center United Methodist Church where we learned about its history which began in 1832. Second Stop was at Skypark Airport in Wadsworth where one of our young friends had a fun ride in an airplane with his grandpa. Third Stop was The Ohio Western Reserve National Cemetery which opened in June 2000 to honor our fallen military. This was most touching. The Fourth Stop we made was at Maple Valley Farm a five generation farm of the Fulton Family that goes back to the 1800s. It is a dairy and grain farm. At this stop I had to explain to Craig the difference between Straw & Hay also HOW Veal is raised which was NOT done on this farm. We were to make Geig's Orchard our next stop but it was to crowded for all of us to pull into and park. Sooo no apples to buy. We did stop at Boyert's Greenhouse for our last tour stop. Boyer's has been in the area since 1981 & grows everything from perennials to houseplants. Sells gifts for the season.

Our last stop was next door at Stingers for our Supper. I understand a good time was had by all.

From what everyone is telling us the Pig Roast was a huge success. There were old cars all over our yard and the new cars across the road. We had a great auction, 50/50 raffle, live music, and food - food- food.... There were V8ers, Nifty Fifties, friends and friends of friends all enjoying themselves. But the best thing was because of everyone's contributions we are able to donate to the Up Side of Downs in the name of my great nephew Vince DiTomas.

We also gave to the Cancer Society . This was given to the Rocky River Cancer Drive since we could not attend the event they invited us to which was on the day of our 40th anniversary party.

So Thank-You to all who gave so generously of your time, donations of door prizes, and our great sponsors. You are all deeply appreciated.

I could say until next year.... But who knows....
